English

I have 3 of 4 of these LMS P3 coaches and all of them are well detailed. Some, not all, of the brake vans V GUV's have opening doors showing internal detail and parcels during station stops, for some reason that is not mentioned in the blurb.

Hey Matrix.....how about reasking the non pasenger vehicles in to BR Blue with Parcels, Express Parcels and newspapers branding? They would have to be VERY dirty as this stock never went through the washplant. Most were used right untill the end of newspaper trains in the 80's V 90's.. Brilliant product, very good design work on the coaches and in passenger view.

Would advise to buy this
